RESPONSE

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This letter is responsive to the Office Action mailed November 3, 2005. Claims 1-35 remain pending in this application, and have not been amended. Based on the following remarks, reconsideration and allowance of this application is respectfully requested.

Claim Rejections-35 U.S.C. §103

Claims 1-27

Claims 1-27 stand rejected under 35 U.S.C. §103 as being obvious over U.S. Patent No. 2,301,744 issued to Olson ("Olson"), alone, or in view of various combinations of U.S. Patent No. 6,327,370 issued to Killion, et al. ("Killion"), U.S. Patent No. 4,742,548 issued to Sessler, et al. ("Sessler"), U.S. Patent No. 6,654,468 issued to Thompson ("Thompson") Applicant respectfully traverses this rejection, since none of these references, alone or in combination, disclose, teach, or suggest the combination of elements required by these claims.
